Re: EMF Solidarity with the workers at ArcelorMittal Gandrange

Dear Colleagues,

On Saturday 9th February a demonstration takes place at the Gandrange site of ArcelorMittal. The EMF now calls for solidarity with *all* French unions involved at the Gandrange site and I would like to encourage all affiliated organisations to send letters of support to the workers at Gandrange. All messages will be posted on the [EMF website](#).

Please also visit the [Gandrange blog](#) and post messages.

Yours fraternally,
In solidarity
